Smetanik is an ambient style musical project by Roman Ermolaev from Gomel (Belarus). His projects concerns experimental music, Idm and Ambient. He's inspired by artists like Pete Namlock, Mick Chillage and Martin Stig Andersen so at the age of 16 he started composing music. The purpose of his sound is something that would plunge the listener into the atmosphere that the author intended. For this new work "deep silence from the future" each track is intended as new journey.
